<p>Hello, my name is Victor.</p>	<p>I'm from Guatemala. I came to the U.S. five years ago.</p>	<p>I was alone and I didn't have a job.</p> <p>I was sad, because my family and friends were in Guatemala.</p>	<p>It was difficult to telephone my family because I didn't have any money.</p>
<p>Now, I am 24 years old.</p> <p>I am happy because I have a good job and I go to English class.</p>	<p>I work Monday to Saturday from 7:30 a.m. to 5:30 p.m.</p> <p>I work in construction.</p>	<p>My cousin lives with me in our small apartment.</p> <p>He cleans the apartment and he does the shopping.</p>	<p>I pay the bills and cook our food.</p>
<p>Every month, I send money to my family in Guatemala.</p>	<p>Sometimes, I go to the movies, eat in restaurants, or play soccer.</p>	<p>In the future, I want to open a bank account and buy a house.</p>	<p>I want to continue my education and speak good English.</p> <p>When I have a good job, I want to get married and have children.</p>
